

I Am An Ancient Wall of Stone

Em Am D Em C D Em
I am an ancient wall of stone atop a hill so high
Em Am D Em C D Em
And if you listen with your heart you just may hear my cry.

G Em C D G
Where has the Bais Hamikdash gone? I stand here all alone.
G Em C D G
How long am I to wait for all my children to come home?

Em Am D Em C D Em
A house of marble and of gold once stood here by my side.
Em Am D Em C D Em
From far and wide all came to see its beauty and its light.

G Em C D G
But Sinas Chinam brought it down and with it so much pain
G Em C D G
Now only Ahavas Yisroel can build it once again.

[Chorus]

D Em
Together, Together,
D Em
We stood by Har Sinai my daughters and sons

D Em
Forever, Forever,
D Bm Em
We must stand together forever as one.

Em Am D Em C D
You come and stand beside my stones to raise your voice in p
Em
rayer.

Em Am D Em C D
You ask "When will this Golus end, how much more can we
Em
bear?"

G Em C D G
But Sinas Chinam still lives on, it lingers in your heart.
G Em C D G
How can you come back home to me while you remain apart

[Chorus]

D Em
Together, Together,
D Em
We stood by Har Sinai my daughters and sons

D Em
Forever, Forever,
D Bm Em
We must stand together forever as one.
